Stately she stands, our Alma Mater
Bright with the sunlight of youth;
Down thru the years our Alma Mater

Through the years lead us apart.

A symbol on symbols piled high
A monument glowing immortal
A sign of Youth's star in life's sky.

Each South Eugene student is given a handbook. This book contains information on all clubs and activities in school. It also gives vital information to Sophomores and new students and added information for the returning upperclassmen.

This committee worked during the summer months publishing the student handbook. Much of their summer time was given up in order to have the handbook distributed before the beginning of school.

The major task was that of editing the handbook by the editors. These positions were capably executed by Carol Scott and Eric McCready.

THE AXE

Axe Staff works hard.

Many hours of hard work go into making up our school paper, The Axe. The Axe does a great service for the school by serving as the main means of communication. This paper keeps the students informed on coming events and reports of activities which have already taken place. In the two-week period between each paper, there is the incessant job of gathering news material for the next publication.

Ken Friesen has done an outstanding job as this year's editor. Linda Mackprang, the Associate Editor, has also done a good job. Linda was chosen as the outstanding student in Journalism from South Eugene High School.

Linda is congratulated by Eleanor Roosevelt after being named outstanding journalism student.

Axe Staff gets ideas from other school papers.

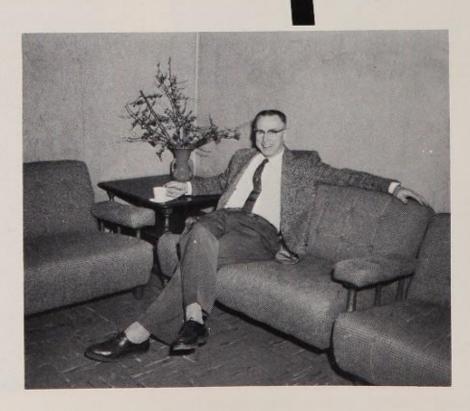

THE LAST GRADUATE

Getting the message.

He has been principal of our school for fifteen years, and has devoted the major share of his efforts toward making this an outstanding American high school. Not only has he been the principal of the school, but he has also tried to be the 'principal' friend of the student body, faculty, and staff. He is to be congratulated on his promotion to a more responsible position in our school district; but it is done with mixed emotions, for each of us has depended upon him for leadership and professional guidance. We wish him good luck in his new duties with the knowledge that some part of his heart will always remain in our school.

As a member of the largest graduation class in our history, we would like to say farewell to Mr. Dean Mickelwait — The Last Graduate.

At rest.

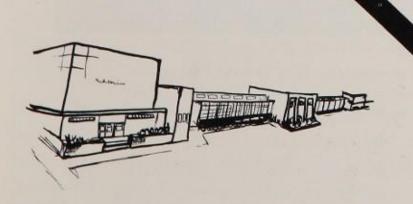

You're welcome.

Dictation.

What's your problem?

C ASSES

CLASS OF 1959

CLASS MOTTO ... "Our Aim: To win Our Goal: Success." CLASS COLORS ... Brown and Yellow CLASS FLOWER ... Yellow Rose

September 9, 1958 — 8:10 a.m.

It is the first day of school and the Seniors begin to arrive for their third and last (?) year at South Eugene.

8:11 a.m.

Confident their lockers are on Senior Row, they have no trouble finding them.

8:12 a.m.

Seniors begin to gather by the school store in search of old friends.

8:13 a.m.

Standing there laughing at the Juniors and Sophomores efforts to make the first day of school a hit, they think of past years.

8:14 a.m.

Seniors calmly stroll to their classes. Late — So What????

8:15 a.m.

The bell rings; the doors lock; The Seniors are still in the hall. After going to their rooms, the Seniors begin to work and continue to do so for the rest of the year.

As the year came to an end, and the future after high school became a reality, memories of our three years at South Eugene High flashed back.

With shaky knees and the very obvious "green" look, we started our high school days. We were the largest class ever to enter Eugene High's doors. We outlived the "Too green to burn" phase and finally became Juniors.

As Juniors, we were no longer going to Eugene High; it was now called South Eugene High. During our Junior year, our main project was that of the Junior Prom, "Stairway to the Stars" which was very suc-

cessful. We, also, established a memorial award in the remembrance of Terry Payne. By the spring, we became aware of the nearness of being Mighty Seniors. We elected four fine leaders to represent us as class officers; Don David, President; Gary Kuhl, Vice-President; Sharon Lay, Secretary; and Connie Wilson, Treasurer. With the guidance of Mrs. Berreman and Mr. Goode, the officers guided our class's activities in our final year.

Our long awaited goal of being Mighty Seniors was now true. The year began as we finally realized that we were now the top class in the school. As Seniors, we were proud to learn that thirteen of our class were selected as semi-finalists in the National Merit Scholarship Test. Other members of the class have also been awarded various scholarships. Our class was equally proud of Larry Hirons who was named as the Future First Citizen. Perhaps the most successful happening this year was the winning of the Teens Against Polio drive. Our athletic teams have had both triumphs and heartbreaks. The Swimming Team became the State Champions, and the Basketball team enjoyed a good season while tying for second place in the District but losing a chance to go to the State Tournament in a playoff game. It is not whether you win or lose, but how you play the game that counts. We should all be proud of our athletic teams. Commencement was the high point of our Senior year. Plans were formulated throughout the year to prepare for this great event.

As we leave this school, many fond memories will be taken with us wherever we go and we will be proud to say that we graduated from South Eugene High School with the class of 1959.

September 9, 1958 — 8:10 a.m.

It is the first day of school and the Juniors begin to arrive for their second big year at SEHS.

8:11 a.m.

First, they begin to look for their lockers, hoping that they will end up on "Senior Row."

8:12 a.m.

Now they begin looking anxiously through the maze for friends of year before.

8:13 a.m.

Success at last! They find their friends, compare schedules, and the girls compare hair-dos.

8:14 a.m.

They dash madly for their classes. Will they make it or not? 8:15 a.m.

The final bell rings and most Juniors are in their seats because of "discipline of the year before," but there are some stragglers.

The Juniors got off to a good start and they went to work almost immediately.

In the spring of their Sophomore year, they elected their class officers. Barry Rubenstein, President; Terry Tillman, Vice President; Dottie Branaman, Secretary; and Barbara Coster, were elected. Under the guidance of the class advisors, Miss Virginia West and Mr. Lyle Small, the officers made their year very successful.

The class started out their in-between-year by earning the title of "Volunteers." This was accomplished when they helped out at concessions during games and volunteering for special committees.

The first big project of the year was the Harvest Hop, which boosted the treasury considerably.

The Junior Class now began its long, but enjoyable task of preparing for the Junior-Senior Prom. Here again, as in previous activities, the "Volunteers" were called upon to work on various committees to make this Prom an even greater success than in years before.

All of these accomplishments of the Junior Class will make this a memorable year in the history of South Eugene High School.

Jim Brooke President

Jim Mooney Vice-President

Jim Garber Class Manager

September 9, 1958 — 8:10 a.m.

It is the first day of school and the Sophomores begin to arrive.

 $8:11 \ a.m.$

Their knees are shaking and their faces show a slight look of dismay (GREEN).

3:12 a.m.

They can be found wandering down the mysterious halls of the school.

8:13 a.m.

The Sophomores are now trying to open their lockers without success.

8:14 a.m.

They are being bumped into or pushed around by the "Big Seniors."

8:15 a.m.

The final bell rings and there is a scramble of Sophomores trying to find their classes with some ending up in such places as the lunchroom, the office, or in T-10.

All during the first few weeks of school, the class of '61 wandered around looking lost and wishing they could be back in Junior High, where they had been at home for three years. But, as time went on, they begin to learn their way around, and to understand the rules and regulations of the school. Their class officers are Jim Brooke, Pres.; Jim Mooney, Vice Pres.; Marianne Wilson, Sec.-Treas.; and Jim Garber, Class manager.

Under the watchful eyes of Mrs. Dodge and Mr. Wickham, the Sophomore Class Advisors, the class of '61 continued to do bigger and better things. In a traditional ceremony of the school, the "E" was given a new coat of paint by six of the "privileged" Sophomore boys. Working on the class Courtyard was one of the major projects of this class. The selling of Class Rings was another project that was very successful. The students of the class of '61 also sold concessions at many of the school functions.

These accomplishments of the Sophomore Class reveal a resolute spirit in mind, hand, and heart which promises to carry them on to an even more successful Junior year at South Eugene High School. Dean Adams

FOOTBALL

It might be said that the Axemen experienced inexperience. After the smoke had cleared, the Axemen emerged with a 3—6 record over-all and a 1—3 record in district play. Overlooking these results, Coach Loyd Amick was quick to say that this year's team had shown the greatest amount of steady improvement throughout the season than any other team that he had coached.

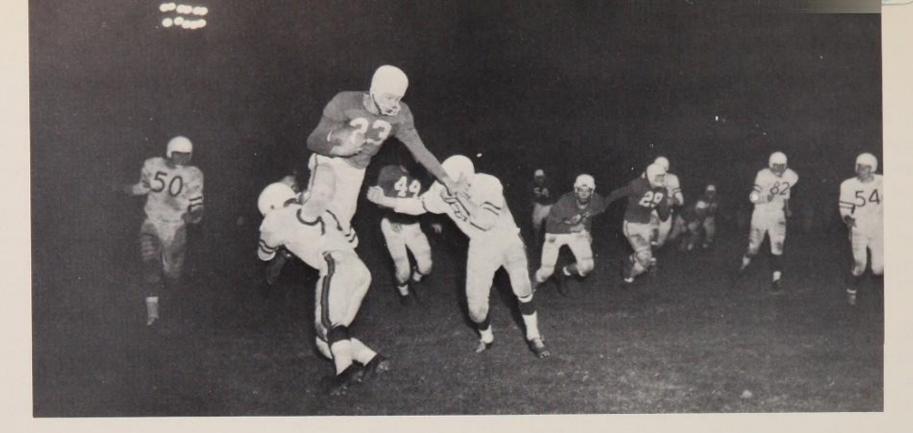

The Axemen's first encounter of the 1958 football season was with Beaverton. Due to the above mentioned facts, we came out on the short end of a 12-0 score. The game was played in what you might call a tropical downpour, which made the football an object much to be desired by the Axemen players. We would no sooner get our hands on the ball than it would mysteriously pop out of the hands of our touchdown-bound ball carriers. Things started out with a bang, however, with Gary Howard's opening kick-off bouncing off the chest of a Beaverton player to be recovered by us on our own 44-yard line. We then proceeded to chew our way to the Beaverton one-yard line. This may be attributed to the running of Jack Calvin, Ken Tuttle, and Dave Hazlitt. But it was there that the hex began, we lost possession of the ball because of the first of our disastrous fumbles. Eugene's touchdown hopes were revived in the last quarter when Wally Larsen rambled 42 yards to the Beaverton 34-yard line. But as before, the ball was lost as the result of a fumble.

Next on the schedule was a jaunt down to Klamath Falls where we received a very rude welcome in the form of a 12—7 defeat at the hands of the Pelicans. One bright fact was that we managed to avert a second shutout by scoring our first touchdown of the season. To start the third quarter off, Jack Calvin returned the kick-off to our own 45 and then accounted for 35 yards as the Axemen used 8 plays to reach the "enemy" 8-yard line. Quarterback Ken Tuttle moved to the 6 on a keeper and then Calvin dashed into the end zone. Gary Howard booted the extra point to complete the scoring. Calvin was the leading ground-gainer in the contest as he covered 59 yards in seven carries.

Some days it just doesn't pay to get up! As you might have guessed, I am referring to the morning of September 26, 1958. That night, the equivalent of the Eugene Emeralds beating the New York Yankees took place. The mighty Axemen of South Eugene lost to Cottage Grove by the score of 25 to ah. . . 0. I guess it was just the Lions' night to roar as they pretty much ran the show. It was again a case of the elusive oval vs. South Eugene. We lost four of those babies! Whenever we did manage to get our hands on the ball for any amount of time, the offense looked quite effective, but all was to no avail as the ball would mysteriously and regularly disappear into the outstretched arms of a Cottage Grove player. This was the first time in many, many moons that a

Cottage Grove team had beaten a Eugene team.

Roseburg looked a bit more hospitable at first, but ruined everything later as they won 21-12. The first play of the game saw Kit Miller scamper 67 yards to set up the Axemen's first touchdown. Our blocking seemed particularly effective on this play as one could see a trail of sprawling Indians left in Miller's path. By re-shuffling the lineup, Coach Loyd Amick came up with a fine passing combination in converted halfback Jim Muhr and end Dave Wetzell. Wetzell managed to get on the receiving end of Muhr's passes five times during the course of the evening. In spite of 35 yards of penalties, the Indians managed to tie the score up at six-all with the first quarter only six minutes old. The second period, also, meant a rash of penalties for the Indians, but as before, they managed to push over for another tally. Muhr's passing and the running of Wally Larsen sparked a 59-yard march after halftime. Larsen went over from the one to put us within one touchdown of the visiting Indians. The remainder of the game saw a punting duel between the opposing elevens with Eugene's hopes of victory vanishing in the mist when Muhr was tackled in his own end zone in the last minute of the game. Unfortunately, this was a league game and went down as a blow to the Axemen's title hopes.

one! Yes sir! We shot Albany down in flames, as can be seen by the 19-0 score racked up by the rapidly improving Axemen. However, winning our first game cost us the services of our fine halfback, Wally Larsen, who suffered a dislocated elbow after scoring our first touchdown and rousing the Axemen into a winning spirit. After gaining 51 yards in the Axemen's touchdown drive, it was Larsen who banged over from the two to set the Axemen out in front, right where we stayed for the remainder of the contest. After Larsen left the game, fullback Nick Carter and quarterback Jim Muhr carried on the offense. Each added a touchdown to the winning cause. The early moments of the second period also saw the Axemen take off for the promised-land once more. This time the drive covered 56 yards in just six plays with the Muhr-Wetzell combination setting the stage for the second tally. Wetzell twice snared passes for long gains, one for 29 yards and the other for 28 yards. Muhr then swept around right end for 11 yards and the touchdown. Wetzell hauled in another Muhr pass to add the conversion. It was Carter who led the way for the last touchdown, climaxing a 55-yard drive by plunging over from the three.

With the taste of victory still fresh in our mouths, the Axemen traveled up north to visit the Hudson's Bay Eagles. Apparently deciding that this winning bit was one to pursue further, the Axemen punched out three You can't lose 'em all either, because we finally won sustained scoring drives to defeat the Eagles 21—14

in a non-league contest. It was the running of Jack Calvin and Nick Carter that provided the Axemen with the material to make the touchdowns. Carter picked up two of the tallies with Calvin throwing the extra one in for good measure. The Axemen were nice enough to wait until the second quarter before starting our onslaught into Eagle paydirt. Taking over after the Eagles had driven to the Eugene 31, the Axemen went 69 yards in 16 tries. Carter then plunged over from the one to chalk up our first touchdown. He then added the frosting to the cake by running the extra point. Later in the same period, Eugene again decided to score, going 80 yards this time in 11 plays. Calvin set up the second tally by running 40 yards to the Eagles three-yard line. Calvin did the honors this time with a three-yard dash. Adding insult to injury, he ran over for the extra point. Carter said that it was his turn next, so in the third quarter, he capped a 67-yard drive by sneaking over from the one. He was nice enough to let Bruce Daggett snag a Muhr pass for the conversion. The Eagles scored both of their touchdowns in the last half.

Like I say, "Win a few, lose a few." Well, we lost this one. As you might have guessed, Marshfield did the dirty work. Everything was tried, but to no avail, as the Pirates ground out a convincing 34—0 victory. The valiant Axemen managed to close the flood gates for a spell in the third quarter which was long

enough for us to mount our biggest drive of the evening. Jim Muhr intercepted a Pirate pass and returned it 37 yards to the Marshfield 40. Three plays later Muhr tossed from punt formation to end Dave Wetzell for 20 yards, putting the ball on the visitors 15-yard line. However, this was as far as we got.

Bitter after going down in defeat at the hands of Marshfield, the Axemen had blood in their eyes as they met the North Bend Bulldogs on the Bulldogs battlefield. Dumbfounding the oddsmakers completely, the Axemen upset favored North Bend to the tune of 14-6. An interesting note is that all of South Eugene's 252 yards were gained on the ground. Halfback Dave Hazlitt turned out to be the man of the hour as he scored both of our touchdowns and added one extra point. Nick Carter racked up the remaining conversion. After the Axemen had driven to the Bulldog 18, we were stopped on downs. But the Bulldogs fumbled on the first play resulting in an Axeman falling on the loose oval to put us in control again. It was then only a matter of time until we scored with Hazlitt sneaking over from the one-foot line. North Bend was finally allowed to score in the third period, but were denied their extra point by Kit Miller, who did a fine job of blocking the kick. The Axemen line held the Bulldogs from making a first down on a fourth and two situation, thus making possible a 50-yard touchdown drive. Again it was Hazlitt who scampered over from the two for the final tally. Late

in the fourth quarter, Hazlitt reeled off a 49-yard run to smash North Bend's hopes for any further scoring.

The last game of the season was with our cross-river rival Springfield, more commonly referred to as SPRINGTOWN. The Axemen surprised the Millers by scoring in the first five minutes of the first quarter. It was Carter who led the way by going 38 yards of the needed 40 yards for the score. It was he who shot over from the five to break the scoring ice. Jim Muhr slipped around right end to add the extra point. Indignant Miller, Roger Batson, gathered in the ensuing kick-off and went 80 yards to even up the score at seven-all after the Millers' extra point try was successful. The Millers then pulled ahead on a 53-yard pass play ending in the Axemen's end zone. Not to be denied revenge, the Axemen drove 51 yards to move out in front. Jim Stocks returned an intercepted pass 44 yards to set up the score. Carter again did most of the work to move the ball to the

Springfield 26. Then on third down, Muhr looped a pass to Dave Wetzell who leaped high in the end zone to take the ball away from two Springfield defenders. Carter waltzed up the middle for the extra point. Acting against our wishes, Springfield scored another touchdown to swing the final decision to them.

This year's football season should be called a success. Not in the form of a win-loss record, but in the sense of developing a sound unit for a promising '59-60 season. Many juniors and sophomores were given the opportunity to see varsity competition this year which will prove to be a valuable asset to our future success on the gridiron. Most important of all, our team showed to everyone that they could come fighting from defeat, being good losers as well as winners. We shall always be proud of our teams, win-lose-draw.

Co-Captain

JOHN BUFFINGTON — John, one of the co-captains of the team, has played some rough positions as a tackle and guard. In the last two years, John has had many thrills and through his great efforts of participation won the Player of the Evening Award at the Letterman's banquet this year.

JACK CALVIN — Jack has filled quite a variety of positions during his two years of varsity play. This year, Jack was one of the co-captains of the team and had a back-breaking year playing halfback and fullback. His greatest moment in his high school career was the game we downed Marshfield in 1957.

VARSITY LETTERMEN

JIM MUHR — In the last two years, Jim has played two very important positions as a halfback and quarter-back. He began this year's season as a halfback and then later switched to quarter. Jim had a good eye for passing but the one pass that seemed to be his most successful was one that he hurled to Wetzell for six needed points in the Springfield game.

MERLE BRUCE — Big Merle finished his second year as a varsity center this year. A center does not get much recognition for any great runs or anything like that, but where would a team be if they didn't have anyone to hike the ball.

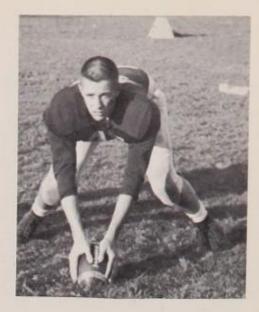

WALLY LARSEN — Wally (Digger) had an exceptionally good season this year as a halfback, until the Albany game. Wally was doing great work with about 100 yards of rushing stacked up in the first quarter when someone tripped him up. This fall was "fatal" as it resulted in a dislocated arm, but Wally and many other people will not forget his efforts this year.

DAVE HAZLITT — Dave has played the major part of the last two years in varsity football as a halfback and fullback. While playing in these slots, he has had many thrilling experiences. The one that will be remembered the longest is when he scored against North Bend. KEN TUTTLE — Ken, a hard fighting senior, filled the quarterback position at the beginning of the season and later switched to halfback. This is the second year of varsity for Ken. He received the most excitement by just plain winning a game, especially the game against Albany.

STEVE WILHITE — During Steve's two years of varsity football, he has played guard and some tackle. One of his biggest moments in football this year was when he recovered a fumble which led to our roaring touchdown against Springfield.

JOHN READ — Little John has played varsity football for two years. As a tackle, John has had many crushing experiences but the one that appears to be his most outstanding is when we scrambled over North Bend for a 14—6 victory. Through John's magnificent efforts this year, he was awarded the Simmons Cup.

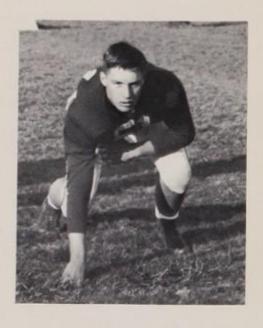

DAVE WETZELL — During Dave's two years of playing football at SEHS, he seemed to like the end position and stuck to it. In the Springfield and Albany games, Dave made two spectacular catches that were thrown him. He just seems to have the "hands" for it.

KIT MILLER — Kit has played two years as a hard fighting halfback. During this time, he has had many outstanding experiences, but the two that will be remembered, are a beautiful sixty-seven yard run in the Roseburg game and beating Marshfield in 1957.

PHIL NEWMAN — In Phil's two years of varsity play, he has filled two positions; guard and tackle. He has had many instances that are outstanding to him but the one thing that makes him feel the best is pleasing Mr. Barnhart.

GARY HOWARD — Hardfighting Gary is known to everyone for his great efforts this year. Gary filled the guard and line-backer positions until the Klamath Falls game when he took a wrist-breaking fall to end his football for this year. Gary seemed to get his biggest thrill out of just mauling his opponents.

MARVIN MATHEWS — Marvin, a senior, has stuck to one position, tackle, all three years at SEHS. He seemed to get his biggest thrill when we won our first game of the season after being edged out of our first four.

DAVE GARRETT — Dave has had two very rough years of playing varsity football while he filled the half-back and end positions. Through his efforts, Dave dislocated his shoulder and was unable to play in a few games. He seems to enjoy smashing our pursuers and winning the game.

MELVIN MATHEWS — Melvin, a senior, played one position, tackle, all three years at SEHS. He seemed to get his biggest thrill when we won our first game of the season after we had lost the first four.

FRED Von APPEN — Fred played as a tackle this year and as an end when he was a Sophomore. His most exciting moment was when he took the kick-off in the Hudson Bay game and ran it back. Fred looks like a good prospect for next year's varsity team.

NICK CARTER — This is Nick's first year of varsity play. He stuck mostly to the fullback position. Nick had a very good year this year and is a good prospect for next year's varsity team.

BRUCE DAGGETT — For his first year of playing varsity football, Bruce has done a great job as an end. He has had many exciting games this year and thinks the team did a very good job of playing football. Bruce appears to be a very good prospect for the SEHS 1959 team.

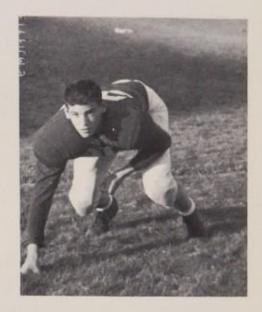

GARY STOCKS — Gary filled the halfback position very well for his first year of playing on the varsity team. Gary's biggest thrill in football is to see our team really get in there and beat our opponents. Gary seems to be a good prospect for next year's varsity team.

MARK McCULLOCH — It appeared that Mark had a very good year for his first year of playing varsity ball. He played as a defensive halfback and also as an offensive halfback and also as an offensive quarterback. The one instance that is Mark's most outstanding memory is a magnificent pass interception that he made during the SEHS — Springfield game.

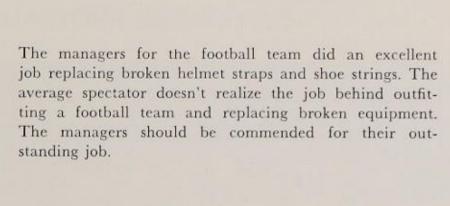

BOB FERGUSON — Bob is in his first year at South Eugene High and has had no previous experience. As an end and halfback, Bob had quite a lot of excitement. The one instance that stands out is when a Springfield player broke for the end zone and Ferguson floored him on the spot.

Cross-country, though lacking much of the luster and popularity of football, has managed to hold the interest of many boys who like to run or wish to stay in condition for a major sport. Since their season runs in conjunction with the football season, they may fail to gain proper recognition for their efforts.

Coached by Hank Kuchera, who likes to keep his basketball players in shape during the off season, this year's team has made a respectable showing in their encounters over the state. Our thinclads came out on top in dual meets with North Eugene, Willamette, and Albany. We were also victorious in a three-way

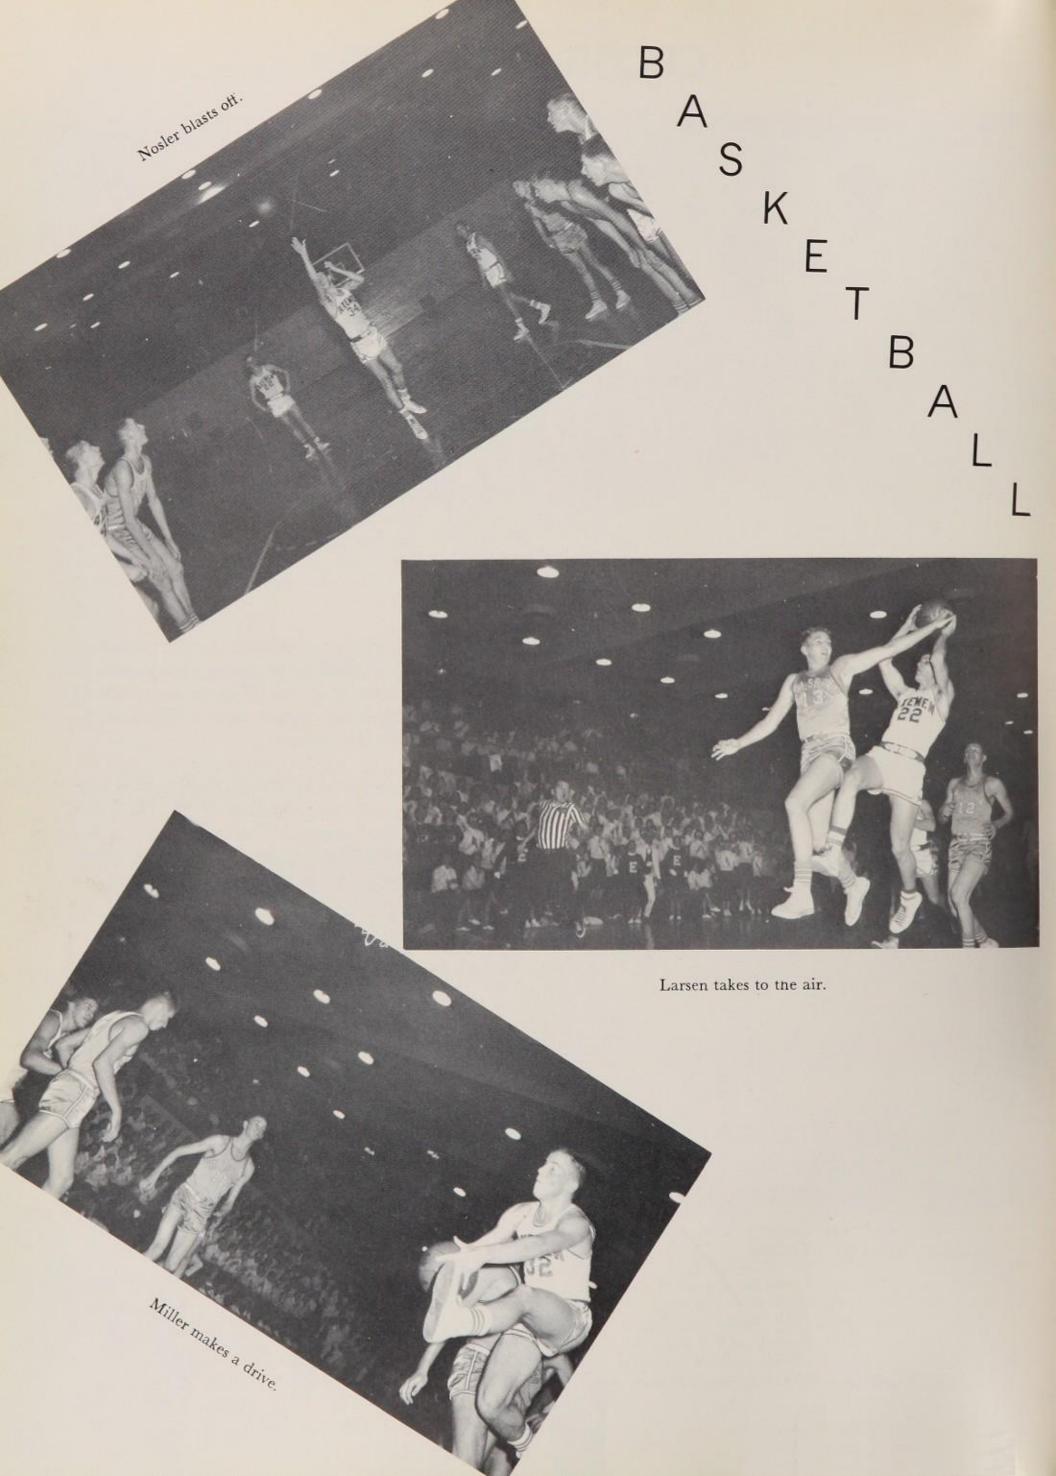

meet with Albany, and Corvallis. A trip to Cottage Grove resulted in third place among five schools. In a state-wide meet at North Marion, in which 23 schools competed, our varsity placed fifth and the J.V.'s garnered a third place.

In the State meet held at Wilson High in Portland, the varsity copped 13th in a field of 27. The J.V.'s upheld their good name by bringing home a 3rd place in a field of 21. John Jost, a promising sophomore, grabbed 8th in a field of 147 runners from A-1 schools all over the state.

Even before the Axemen had set foot on the basketball court, rumor had it, that predictions of disaster were being voiced by the local paper and the citizens of this fair town. Now, an uninformed observer might be inclined to agree with this because of the fact that we did not have a single letterman returning this year: it goes without saying that last year's varsity was composed entirely of seniors. Well, that is not the case this year. There are a number of juniors and even a few sophomores on the squad. And with a little diligent searching, one might even find a senior! Undaunted by these, so-called "staggering odds," our capable coach, Hank Kuchera, set out to do the best he could with what he had. Now this might sound like things were pretty dismal, and, it must be admitted, they were for awhile.

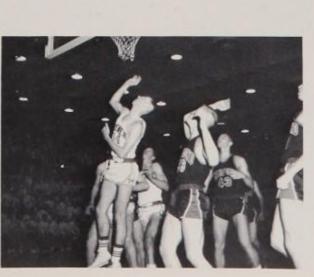

The first encounter of the season for the Axemen was with the always-tough South Salem Saxons on the latter's home floor. In this game the Axemen surprised many by putting up a right smart battle right down to the wire before losing out 61-48. Fortunately, this was a non-league game.

Coach Kuch started just two seniors in this game with junior, Sandy Nosler, getting high point honors for the Axemen with 12 points. The first quarter saw the lead change several times, but South Salem got the advantage in the first three minutes and were never headed after that. The Saxons must have had a radar fix on the basket as they banged away without a miss, taking an unfair advantage over the slightly cooler Axemen.

Hey! Is that guy jabbing Dave in the back?

Who says I can't fly?

Hey Nosler, Who are ya' waving at?

The first district game for the Axemen was with Cottage Grove on the Lion's home floor. Cottage Grove, showing unexpected spirit, fought to little avail, as the Axemen rolled over them 54 to 50. The play was rather ragged showing the results of a long lay-off from competition.

A trip to Albany turned out rather disastrous as the Axemen dropped a close 52—45 decision to the host Bulldogs. The loss may be blamed on a bad case of nerves, for the Axemen appeared to be at odds with what to do with the ball once they gained possession of it. Several excellent scoring opportunities were missed as the result of this.

Mel Counts spelled the difference between victory and defeat for the Axemen, for without his skyscraping height, Marshfield would have never won. His advantage on the backboards was just too much for the Axemen as he repeatedly grabbed rebounds and stuffed them back in, something which the shorter Axemen could do little. Despite a gallant try in the final quarter by the Axemen, they fell 75—56 with Bo Blair high for the Axemen with 13 points.

Any game between South Eugene and Springfield brings out the best in both of the teams. This time was no exception, but more good came out of our team than that of Springfield's. The Axemen showed the first real signs of real team play in this game as they rolled to a 55—52 victory over our cross-river rivals. Wally Larsen, Bo Blair, and Dave Wetzell all had themselves a big night as they collected 16 points apiece.

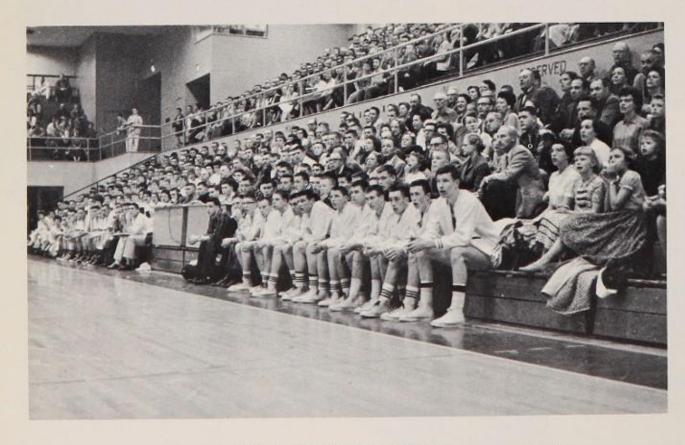

Losing a ball game by one point is always a heartbreak and losing 54—53 to North Bend was no exception. Both teams showed flashes of really great basketball with North Bend being the most fortunate of the two

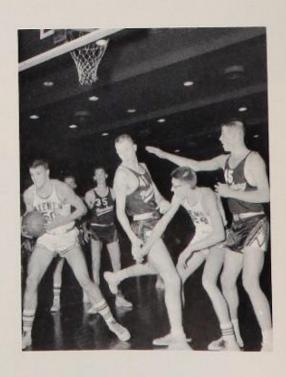

by having possession of the ball in the closing minutes of the game. Their one-point lead lasted throughout the last two minutes of the game because of a stall which was quite successful in freezing the ball from the anxious Axemen.

The first game between North and South Eugene gave the Axemen rooters quite a scare before we finally pulled it out of the fire by defeating North Eugene 51—45. The Highlanders showed signs of good basketball throughout the game and should be up on top next year. However, they could not cope with tall men such as Blair and Wetzell, and lost the game mainly because of their inability to get rebounds. The final outcome was in question right down to the last four minutes before Larsen and Wetzell put it on ice for keeps.

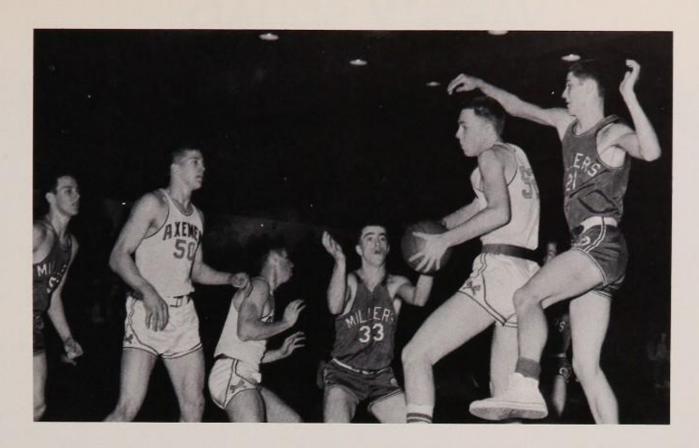

Roseburg, averaging a little over 6'4" in the front line, found out that their height was no advantage to them as they were the victims of a 50—39 shellacking at the hands of the vastly-improved Axemen. Big Dave Wetzell had a field day for himself by dumping in 23 points. Besides carrying the bulk of the scoring load, he thrilled the crowd with several brilliant defensive efforts, as several times he would seemingly come out of nowhere to block shots. Bo Blair also looked outstanding as he accounted for 11 points.

North Salem, ranked number one in the state, set the Axemen down in sloppy style, causing many to wonder who gave them their rating. Their 6' 9" pivot man, Grant Harter, managed to snare enough rebounds to keep the Vikings out in front for the majority of the contest. A third quarter rally brought the Axemen to within one point of the Vikings who were ahead 29—21 at the half. Blair and Larsen tied for high point honors with 13 apiece.

May I have this dance?

Look out behind you, Blair!

Cottage Grove, using a zone defense and an effective fast break, managed to give the Axemen quite a scare before succumbing 48—47 in the closing seconds of the game. The little Lions found that they just could not cope with the Axemen combination of Wetzell, Blair, and Larsen, as these three accounted for 37 of the Axemen's 47 points. It was late in the thrill-packed fourth quarter before the Axemen could take the lead for good. Larsen was high point man for the Axemen with 14 points. Blair and Wetzell were close on his heels with 13 and 10, respectively.

A tremendous performance by sophomore Don Du-Shane went for naught as the Marshfield Pirates set us down 73—45 on the Pirate's home court. DuShane, a scrappy guard, matched skyscraping Mel Counts point for point as they both garnered 26 points.

Facing arch-rival Springfield for the second time this season proved without a doubt who had the better team as we aced them out 49—47. The Axemen out-scored the Millers in every quarter but the last as the Millers crept to within two points before the final buzzer sounded. The scoring load for South Eugene was carried by rugged Dave Wetzell and ball-hawking Don DuShane as they garnered 17 counters apiece.

Seeking revenge after losing by one point to North Bend earlier in the season, the Axemen invaded the bay area and effectively shut down the favored Bulldogs. Out scored in the first three quarters, the Axemen roared back in the final period for 22 points which were enough to eradicate the Bulldog's 37—29 third quarter margin and score a 51—44 upset. DuShane's ballhawking was the major cause of the Bulldog's downfall as he racked up 17 points to capture scoring honors for both teams. Wetzell and Blair were close behind with 13 and 12, respectively.

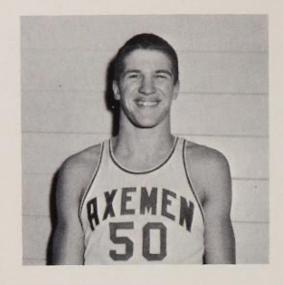

The Axemen, knowing that this game was a "must," set down the North Eugene Highlanders in what might be called one of the most important games of the year. By winning this game, we put ourselves in a favorable spot for a tournament berth. Using a rock-ribbed defense and a torrid fast break, the Axemen controlled the play all the way from start to finish. Outside of the 46—37 final score, the biggest grain of sand in the Highlander's gears was Axemen guard Don DuShane. Don must have a stingy soul for if he did not have possession of the ball, he was hard at work trying to steal it. He was successful on more than one occasion. DuShane led all scorers with 16 points. Wally Larsen was close behind with 11.

A trip to Roseburg proved to be just one of those nights for the Axemen as they were the victims of a 64—23 shellacking at the hands of the host Indians, who have gained a reputation for pulling off upsets. The lid was definitely on the Axemen's basket as they hit a woeful 23 per cent of their shots from the field. Sophomore John Jost led the Axemen with 8 points. This loss left the Axemen in a second place tie with North Bend in the final standings. Turn to page 126 for the final outcome.

The convention draws girls from all over the state.

The Fourth Annual Convention for the Girls' Athletic Association was held at SEHS in January.

Seventy-three schools attended the conference, bringing 658 students, 10 college students, and 83 advisors.

The main theme of the convention was "Planning and Conducting the Intramural Program."

Main speaker for the conference was Bill Bowerman, track coach for the University of Oregon. His topic was "Women in the Olympic Games."

Bill Bowerman speaks to the girls.

WRESTLING

This year's wrestling team, co-captained by Larry Baxter and Bruce Glenn, has enjoyed a successful season. They finished third in the district with a record of 3 wins against 5 losses. They were victorious in matches with Willamette, North Bend, Springfield, and St. Francis. Their victory over Springfield marked the first time that a South Eugene High wrestling team has ever defeated Springfield in a dual match.

Since the wrestling season is in juxtaposition to that of basketball, the wrestler receives limited recognition for his efforts. Another reason for this is that it has not received the publicity accorded other sports. In order to become a successful wrestler, a boy must be in top physical condition. The conditioning process for wrestling is tougher than for any other sport. It is not unusual to find them bouncing around in that little room beside the gym late in

the afternoon, long after everyone has called it quits for the day.

In order that boys of all sizes, shapes, and forms may compete successfully, competition is divided into 13 weight divisions, which range from 98 pounds up to 191 pounds. Anyone weighing more than 191 has to either reduce or wrestle in the unlimited division. Unlike most other sports, wrestling allows you to compete against boys your own size and weight, making it a truer test of skill and endurance than the majority of other sports. Coach Bob Williams was heard to comment that this year's team was the most evenly developed and strongest team to represent South Eugene while he has been here. In his opinion Bruce Glenn, Larry Baxter, and Steve Wilhite were outstanding members of this year's team.

SWIMMING

ROW 1 — Ken Russel, Ron Heddinger, Dan O'Connell, Lynn Rodney, Larry Brown. ROW 2 — Larry Kirkland, Bob Ghent, Bob Green, Jim Tiffany, Art Brunig. ROW 3 — Al Rubenstein, Asst. coach, Chris Kirkland, Dean Adams, Wes Vicroy, Spence Alpert, Stan Bettis, Jim Cross, Charlie Oyama, coach.

This year's Axemen swim team, coached by the very capable Charlie Oyama, proved that they are the top swim team in the state by winning our first All-State High School Swimming Championship, a feat no other team outside of the Portland area has been able to do.

On their way to the Championship the Axemen racked up 4 out of 5 conference wins, losing only by a slim margin to a top California team.

During the Championship meet the Axemen's "relayers" set a new record in the medley relay by finishing in 1:32.7, bettering the old mark by 1.6 seconds.

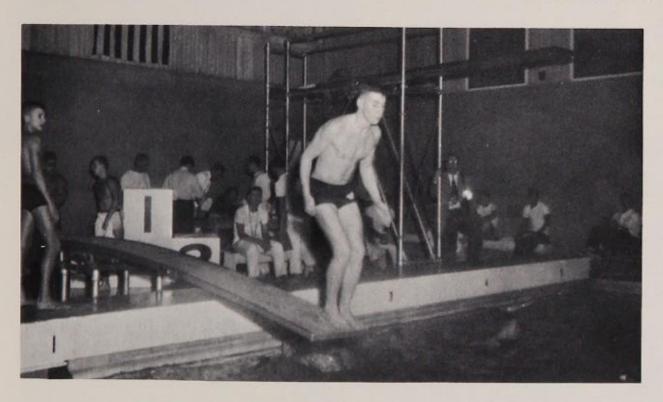

Members of this years outstanding swim team were Dean Adams, Spence Alpert, Stan Bettis, Larry Brown, Art Brunig, Jim Cross, John Gale, Thorton Gale, Robert Ghent, Bob Green, Ron Heddinger, Tom Hornsby, Larry Kirkland, Chris Kirkland, Jim Koenig, Dan O'Connell, Jack Pratt, Lynn Rodney, Ken Russell, Jim Tiffany, and Wes Vicroy. The managers were Steve Rice and John Strobeck.

PLAYOFF GAME

Life can be one disappointment after another. Such is the case of the South Eugene Axemen, who dropped the game which would have garnered them a place in the State Tournament. This team, one which was the victim of pre-season predictions that they would not have either the material or experience to make a successful bid for district honors, fought right down to the wire before being nipped out of a berth in the state play-offs. Plagued by inexperience and the strange but disastrous effects of wanting to win too hard, the Axemen can only say, "Wait until next year!"

After a season which could only be that of a story book team, the Axemen came out of the fracas with a tie for second place with the North Bend Bulldogs. A flip of the coin decided the playoff spot for the two teams with South Eugene receiving the advantage of playing on their own court. Both teams,

knowing that the entire season's evaluation lay on the line, played a slow, deliberate brand of basketball. The first quarter was filled with an agony of missed shots and missed free throws as the pressure started to take its effect. At the end of the first quarter, both teams were even with only 4 points apiece. Things began to warm up a little in the second quarter as the Bulldogs pulled ahead for a 20-16 halftime lead. The second half saw both teams trade basket after basket with the score never being separated more than five or six points. North Bend's ability to control the boards was the deciding factor as they out-rebounded the Axemen better than two to one. Late in the third quarter, the Axemen finally regained the lead on one of Dave Wetzell's eight charity tosses. However, North Bend countered with a field goal and were never headed after that. Late in the fourth quarter when possession of the ball was of the most importance, captain Wally

Another two points for the Axemen.

Wetzell gets some North Bend help.

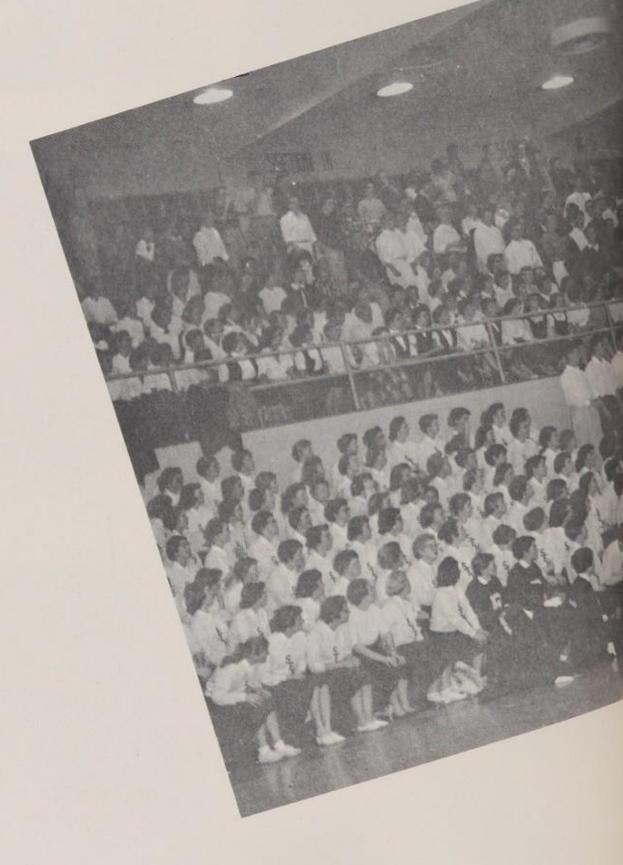

Jost lays one in.

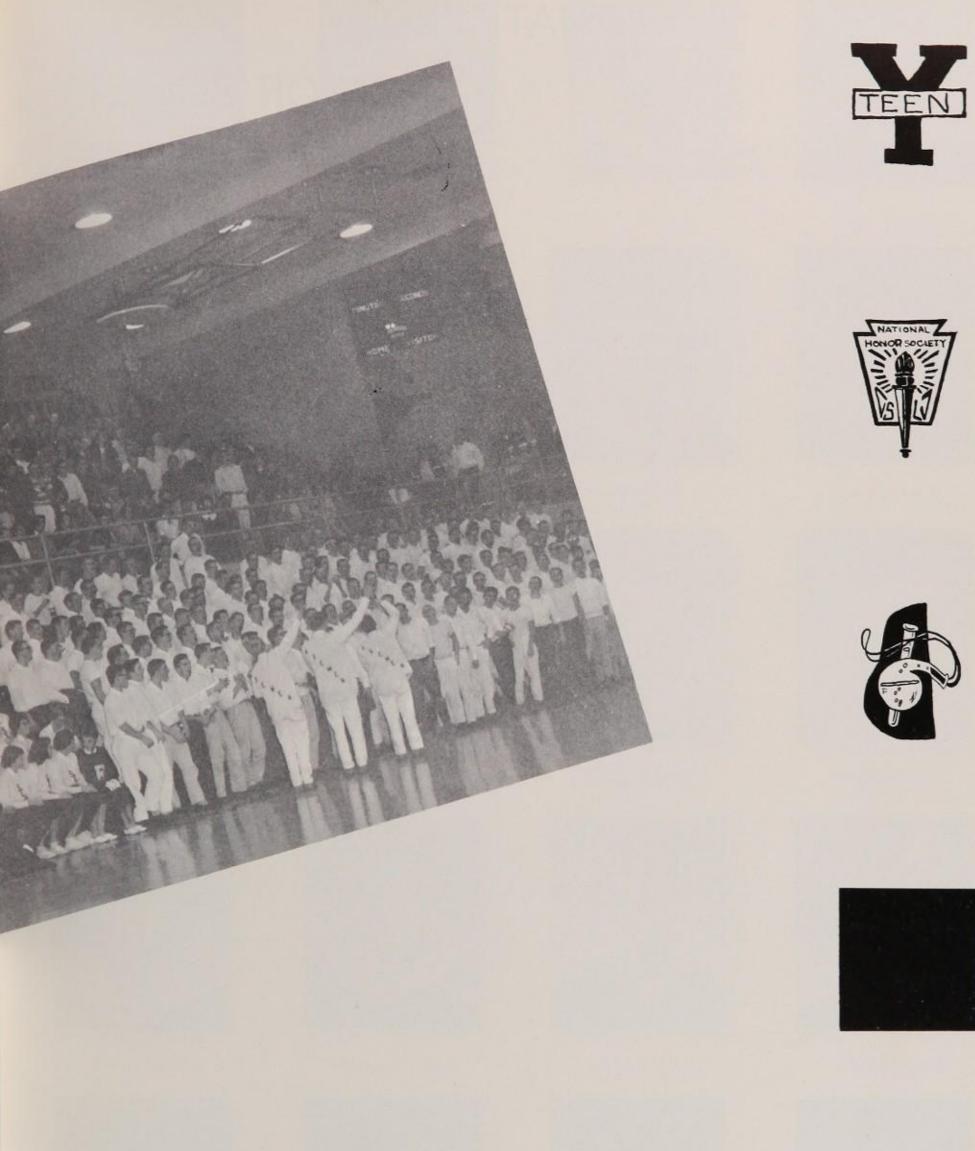

Larsen, Dave Wetzell, and Don DuShane fouled out; leaving a gap in the Axemen attack that proved to be fatal. North Bend gained a 45—40 lead and kept it until the final buzzer. Wetzell was high man for the Axemen with 12 points and Larsen was close behind with 10.

While not coming home with top honors, the Axemen gained valuable experience which will be invaluable in their fight to the top in next Year's competition. The sophomores and juniors on this year's varsity team have vowed that "THE SOUTH WILL RISE AGAIN!"
